**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that appreciates broadband competition. Prior to Sonic, a small ISP, we had only 1 choice for broadband. The large ISP charged rates almost twice as high for mediocre service. After I and thousands of my neighbors made the switch to a fast and cheaper ISP, the large broadband provider to notice and has now offered more competitive prices and faster speeds. That is joe system is supposed to work in a market based economy.

Please allow competition to continue. We need broadband choice and competition.
